

# Awards 2010

## ‘Best Specialist Product / Research’

Is your firm responsible for offering the best specialist software or research service for professional traders, fund managers, brokers and/or analysts?

### How to Enter:

1. Please complete in not more than 300 words (in a Word document if you are entering online) why you or your company is deserving of the award for Best Specialist Product / Research. Links may be provided in the text to website information, which will be viewed at the judges' discretion.
2. Complete the nomination form. This can be done online or by using the hard copy version found on page 2 of this document. If you are using the online nomination form please **don't forget to upload your Word document.**
3. **For research services, please provide three examples of your work to support your entry.** This can be in hard copy or electronic format. **For software companies, where possible please provide literature to support your nomination.** For example: user manual, marketing literature, and/or link to online demonstration.

Please post supporting literature to the awards office at the address given below or email it to: [awards@technicalanalyst.co.uk](mailto:awards@technicalanalyst.co.uk).

Your nomination entry will be acknowledged upon receipt. If you have not received an acknowledgement within five working days, please contact the events team on +44 (0)1483 573150.

### Notes:

Entering is free but applications are limited to two award categories. For each separate entry we need a separate Word document, a completed nomination form and, if applicable, any supporting company literature.

Hard copy entries should be sent to:

The Technical Analyst  
Jeffries House  
1-5 Jeffries Passage  
Guildford GU1 4AP  
United Kingdom

### Further information

If you require more information about The Technical Analyst Awards and the entry process in general, please contact +44 (0)1483 573150 or email [awards@technicalanalyst.co.uk](mailto:awards@technicalanalyst.co.uk).

NOTE: The Technical Analyst reserves the right to edit or shorten entries, particularly where the word count is exceeded. This may impact the strength of the nomination. In addition, the Technical Analyst may decide to change, split or reduce award categories if the number and quality of nominations justifies this measure. Confidentiality will be respected in all cases with information shared only within the awards team and the judges. The judges' decision is final.
